

## 2020 Northern Shenandoah Valley Drinking Water Testing Clinics

Do you have a well, spring, or cistern?

Learn about your water quality through affordable, confidential testing and become empowered to make decisions about system maintenance and water treatment!

*The goal of the Virginia Household Water Quality Program is to improve the water quality and health of Virginians with private water supplies, including wells, springs, and cisterns.*

### How does it work?

1. Pick up a sample kit at the designated location for your county. (Physical distancing measures will be in place, and [masks are required](#)).
2. Participate in the live Kick-Off Session via Zoom.
3. Collect samples on designated date, and drop them off at the designated location for your county. (Physical distancing measures will be in place, and [masks are required](#)).
4. Samples are analyzed at Virginia Tech.
5. Participate in the live Results Meeting via Zoom to help you understand your results. Receive your confidential results and information about addressing any problems via mail or email.

### What does the water test include?

Iron	Manganese	Sulfate	Hardness
Sodium	Copper	Nitrate	Arsenic
Fluoride	pH	Total Dissolved Solids	
Coliform bacteria	<i>E. coli</i> bacteria	Lead	

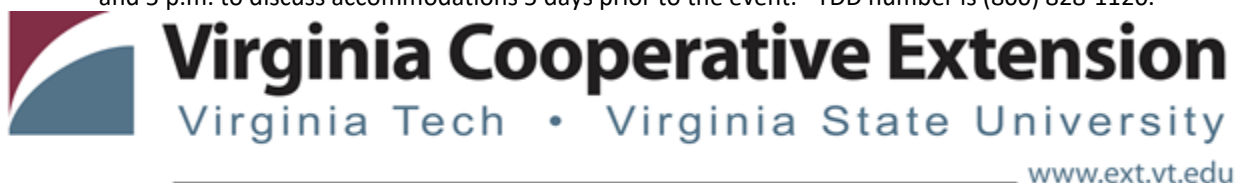

**How much does it cost?** \$60 per sample kit. Pre-registration/Pre-payment is required **by Wednesday, October 14** – space is limited! *Financial Scholarships Available:* Cost reduction to \$20 per sample is available on a financial need-based request. (Scholarships are limited to one sample per household and are available as long as funding lasts; awarded on a first come, first serve basis.) Please contact the Virginia Cooperative Extension Frederick County Office to inquire: (540) 665-5699.

**To Register on-line** (credit card payment): <https://tinyurl.com/NorthernShenandoahWelltest2020>

**To Register by mail** (check): Complete the Pre-Registration Form and mail as instructed.

**Sample Kit Pick-Up and Sample Drop Offs will be offered in the counties of Clarke, Frederick, Page, Shenandoah, and Warren in October 2020.**  
**Please see reverse for dates, times, and locations.**

If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact your local Extension Office at the phone number listed on the next page during business hours of 9 a.m. and 5 p.m. to discuss accommodations 5 days prior to the event. \*TDD number is (800) 828-1120.

Virginia Cooperative Extension programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; M. Ray McKinnie, Administrator, 1890 Extension Program, Virginia State University, Petersburg.
